

GRAND OPENING / PRODUCT ROLLOUTS

*A special event requires a special entertainer.
Balloon Entertainment at it's best! mbd2.com*

Promotion of a new business or product rollout requires a professional Balloon Artist who can make an impression on your customers. Quality balloon displays reflect back on your event. Make sure you hire a Master Balloonist.

Grand Openings with balloon arches, large balloon figures, and balloon columns will give a festive atmosphere that becomes contagious, giving customers a memorable experience. Associate high quality balloon displays and entertainment with your store. Quality balloon displays/entertainment = quality products.

Product Rollouts - Introducing a new product requires creative marketing. A professional Balloon Artist can develop a balloon sculpture that enhances your product display. Not only can a Balloon Artist create custom balloon arches, columns, and balloon sculptures, but can help create an interactive on-premise promotion.

Balloon Artist can use balloons to create a special atmosphere that will enhance your product rollout. Product rollouts need to be impressive, grand, and special; balloons cross all genders and age gaps --Make everyone happy, use a Balloon Artist.
