

## Twist balloon fun into this year's fundraising program

The comedy, choreography, and interactivity of Dale's school show sends children into creativity fun overdrive – which, after all, is the goal of the PTO!

The air is filled with children's laughter as they sit, watching Dale's co-star's reaction as Dale inflates a balloon through their head, making for a priceless moment. Parents appreciate the PTO's hard work to bring creative programs like Dale's to their school.

Combining PTO's efforts, we created an experience that makes going to a school fundraiser fun for students and the community.

Let's Talk About Your Upcoming Event Today  
Text Dale (708) 744-0234

*"Professional and easy to work with"*  
Crown Point Christian School
